MEET LIKE MINDS

Find your people! We've got more than 200 student clubs and organizations. Art, culture, gaming, sports, politics, activism, even our very own protectors in the event of a zombie pandemic—the Humans vs. Zombies Social Club. Have an idea for a new club? Start it up, and bring people who share your passion for [insert amazing thing here] to you!

GET SWEEP UP

See what musical acts and guest speakers come to campus with all kinds of knowledge and inspiration to share. Break out the gold and blue face paint and root for your favorite team (Go Bombers!). Clean off your tiny hilarious opera glasses for a student performance. Or take the stage, get in the game yourself, and show us what you've got.

A CAMPUS FULL OF DO-GOODERS

Find ways to use what you're learning on campus for a greater good. Roll up your sleeves (not mandatory, winters get cold here) and see how incredible it feels to help others. From the MLK Day of Service to Alternative Spring Break and tons of volunteer opportunities throughout the year, you'll have plenty of ways to make the world better and brighter.

HEAD TO THE COMMONS

More like unCommon. The best place to meet, play, shop, catch an outdoor concert or indie flick, or have lunch with a statue.

IT'S FESTIVAL CITY

Ithaca has a festival (or two or three) for every season. We're talking some of the best local culture, arts, food, and music—maybe even a little magic.

Ithaca Festival

Porch Fest

Wizarding Weekend

Ithaca Fantastik Film Festival

Brunch Fest

Ithaca Ice Festival

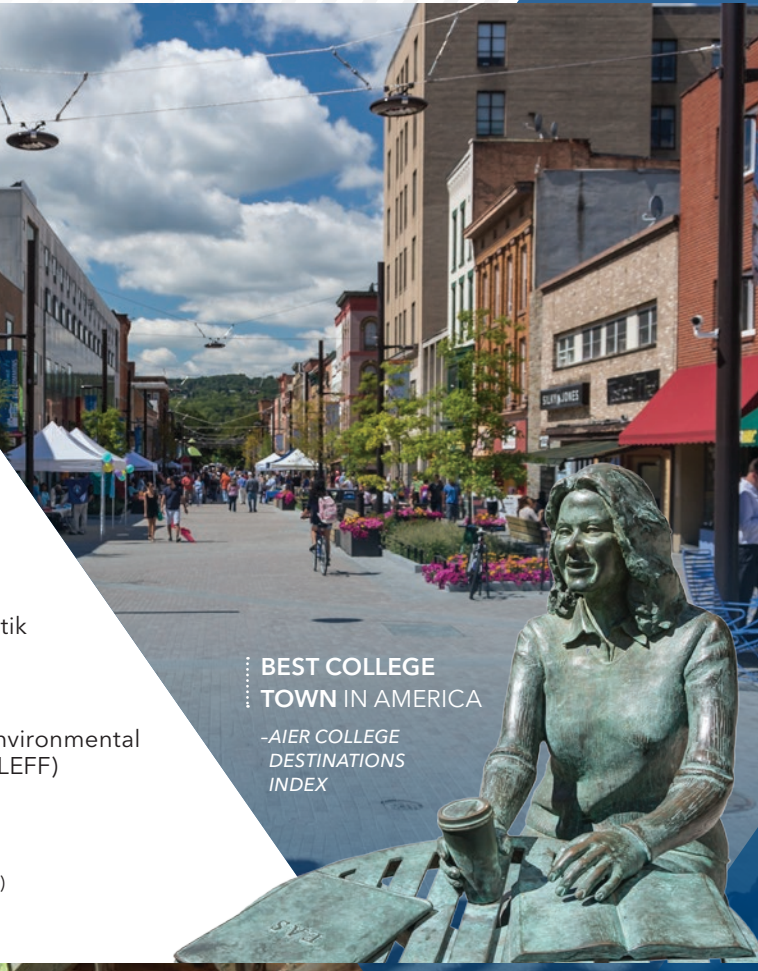

Chili Fest

Finger Lakes Environmental Film Festival (FLEFF)

International Rutabaga Curling Championship
(Yep, that's a thing, and it happens every year at the Ithaca Farmers Market.)

IN TOWN : Ithaca Farmers Market

SPEAKING OF THE FARMERS MARKET

We have one of the best in the country. Area farmers and artists converge in a majestic pavilion on the lakefront with fresh, sustainably grown goods and goodies. Journey down the hill, try some good eats, and leave a teeny tiny carbon footprint along the way.

THAT BRINGS US BACK TO CAMPUS

Because you don't have to be downtown to get local flavor—IC has local food in our dining halls. Whenever possible, our chefs use fresh local produce (and baked goods from Ithaca Bakery...mmm, carbs.) Special diet or food sensitivity? We've got it covered. Comfort food, health food, brain food—you'll find it all within strolling distance from your room.

SEE FOR YOURSELF

If it sounds like a life you'd like, come check it out for yourself. Load up the car or hop a flight with some of your favorite people (friends, family, or friends who are basically family) for an Ithaca vacation. There's plenty to learn, see, do, and try.

We can't wait to meet you.
